

# Union Township Environmental Commission

presents a discussion on

## Community Well Testing

an overview of Union Township results  
and groundwater health

Raritan Headwaters will present drinking water quality in our area and ways to protect your family from common waterborne contaminants. A report on the results from the May 2017 Community Well Testing event in Union Township as well as an overview of groundwater health in our watershed will be presented. A Q&A period will follow.

**Tuesday  
October 10  
@ 7:00pm**

Union Township  
Municipal Building  
140 Perryville Rd,  
Hampton

WHAT'S  
IN YOUR  
WATER?

Raritan  
Headwaters

Your water is our mission.
